## ITCHING PIMPLES TORMENT 5 BOYS

Arms and Hands Affected—Could Not Sleep Because of Itching—Suffered for Two Months Until Two Cakes of Cuticura Soap and

### ONE BOX OF CUTICURA CURED THEM ALL

"I have five boys, from five to eleven years of age, who were affected some time last winter by some kind of skin disease. The worst parts of the body were around the arms and hands, where small pimples formed and itched. They suffered for two months so that they could not sleep at night. I tried an advertisement about the Cuticura Remedies and we made a trial of one or two cakes of Cuticura Soap and a box of Cuticura Ointment which gave great satisfaction. I washed their bodies with Cuticura Soap and then applied Cuticura Ointment every other day. Since then they have all been healthy. A. F. Carlson, Norcross, Travers Co., Minn., Nov. 26 and Dec. 23, 1906."

## WORST ECZEMA

Baffled Medical Treatment For a Year, Cured by Cuticura.

"About four years ago I was afflicted with black spots all over my face and a few on my body, which produced a severe itching irritation, and which caused me a great deal of suffering. I was forced to call in two of the leading physicians of —. After a thorough examination of the dreaded complaint they announced it to be skin eczema in its worst form. They treated me for a year, but their treatment did me no good. Finally I became despondent and decided to discontinue their services. My husband purchased a complete set of Cuticura Remedies, which entirely stopped the breaking out. I continued the use of the Cuticura Remedies for six months, and after that every spot was entirely gone and the affected parts left as clear as ever. I have not felt a symptom of the eczema for three years. Mrs. Lizzie E. Sledge, 640 Jones Ave., Selma, Ala., Oct. 28, '05."
